Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Car Parking at Maidstone Hospital.

Could you please advise me if you manage the Car Parking facilities on your own or do you employ a contractor to manage the facilities for you? I.e. ANPR, POF's and PCN's etc.

If you use a contractor can you please advise me who they are and when their existing contract with yourselves expire?

Interserve (Facilities) Management Ltd are the current provider of Security and Car Parking Management for the Trust.

The Contract commenced on 1st December 2012 and is for 3 years with an option to extend for a further 2 years.

First Parking is the current provider for Parking Enforcement. The Contract commenced on 1st December 2013 and is for 5 years.
