**Freedom of Information Act 2000**

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to cancelled elective operations for December 2015 and January 2016.

*I would like to ask for each day over the past two months how many elective operations have had to be cancelled and what reasons were given?*

*And for each of those days, how many elective operations had been originally planned?*

Please see the attached tables.
