### Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to the NHS Five Year Forward View – electronic health records.

*In 2014 the NHS published the Five Year Forward View stating that all trusts must have fully interoperable electronic health records so that patients' records are largely paperless.*

*I would appreciate if you could complete this [short survey](#) in the hopes that we can gain a better understanding as to what your trust needs.*

1. Do you currently have an Electronic Patient Record system(s) in place?

- Yes  
 No

2. Can you provide a name for the system(s)?

3. How much are you currently spending on this system annually for licensing and support fees?

4. What is the date of contract expiry for the system(s)?

5. How many users? (An estimation if unsure)

Not Applicable

6. How is your system hosted?

- On Premise
- Cloud Based

7. Who is responsible for your local implementation of the objectives set out by the NHS in the Five Year Forward View?
