Since January 1st 2016, has the Trust reduced the salary or wages, by way of a reduction in contracted hours or direct salary deduction, of any of the staff listed in the above categories due to financial pressures, a reduction in budget or no funds being available within the budgets?

Please also confirm whether this is a permanent or temporary reduction. Wages and salaries that have been reduced through other than the Trust's financial constraints (for example new job share arrangements, semi-retirement, demotion etc.) are not required.

If yes to the above question, please provide the number of affected staff split into the categories as above. A list of specific departments/wards etc. would be useful.
