Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Orthopaedic suppliers.

This would relate to the purchase of Orthopaedic products for the latest year (and previous years if possible).

Specifically, I'm interested in products related to primary Hips and Knees procedures. This would include:

Hip Replacement:

- *Primary cemented/cementless Femoral implants*
- *Metal/Ceramic/Bipolar/Unipolar Modular Heads*
- *Standard/Crosslinked polyethylene Acetabular cups*
- *Standard/Crosslinked/Ceramic/Metal modular Acetabular inserts*

Knee Replacement:

- *CR/PS Cemented/Cementless Femur Primary Bicondylar*
- *FB/MB Primary CR/CS/PS Articular Surfaces*
- *FB/MB Primary Cemented/Cementless Tibial Components*
- *Cemented/Cementless Tibial Components*

I've attached an example of the data format I would find useful, which lists :

- *The Supplier*
- *Order Quantity*
- *Unit Price or Order Value (both are listed)*
- *Item Description*
- *Order Date*

Please see the attached table. Please note that the unit price or order value have not been included as the information requested is exempt from disclosure under the Freedom of Information Act 2000 Section 43 as its disclosure would, or would be likely to, prejudice the commercial interests of

any person (including the public authority holding it). The data is for July, August and September 2015 which would reflect the Trust's typical annual usage when pro-rated up to 12 months.
