Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to parking permits issued between 30 August 2015 to 30 March 2016.

Can you tell me how many NHS staff have applied for a parking permit and issued with a permit between 30th of August last year and 30th of March 2016 and how many Interserve security staff have applied for a parking permit and issued with a permit between 30th of August last year and 30th of March 2016?

During the period 30 August 2015 to 30 March 2016 Maidstone and Tunbridge Wells NHS Trust has issued 1203 permits. This relates to both Maidstone Hospital and Tunbridge Wells Hospital at Pembury.

Of the 1203 permits issued 933 were issued to Maidstone and Tunbridge Wells NHS Trust staff. The remaining 270 are grouped together under "other" employers. Having manually checked the "other" group 18 permits have been issued to Interserve Security staff for the period in question.
