### Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Gifts and Interests 2012-2016.

*I would like a breakdown in the last five years, items which have been logged on your organisation's gifts and hospitality register by staff, detailing:*

*Date item was declared*

*Description of item*

*Reason for the gift/hospitality*

*Value*

*Whether the item was accepted or declined*

*Additionally, does your organisation have a monetary limit on gifts (i.e. gifts worth under £50 are allowed) and can cash gifts ever permitted?*

Please find attached in response to your email of 27/05/16, the requested details from the Trust's Hospitality Register from 2012 to date.

In response to your specific questions, the Trust's "Gifts, Hospitality, Sponsorship and Interests Policy and Procedure" requires that:

- Offers of non-cash gifts above the value of £25 must be declined, and declared, and that
- Staff must not accept gifts of cash offered to them personally, regardless of the value involved.
