Freedom of Information Act 2000

I am writing in response to your email dated 29 April 2016 requesting further information made under the Freedom of Information Act 2000 in relation to vehicle leasing and maintenance contracts.

Can you split the supplier contracts for annual spend, dates, contract description (number of vehicles, make and model of vehicles)

Please find below details of the number and type of vehicles for each contract. The annual spend for each individual contract is exempt from disclosure under the Freedom of Information Act 2000 Section 43 as its disclosure would, or would be likely to prejudice the commercial interests of any person (including the public authority holding it).
