Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Organisational Structure Charts.

Please can I have an organisation structure of all IT, Procurement, Finance and HR services within your Trust, including team name, phone number and team manager's name?

The Trust considers the names and telephone numbers requested exempt under Freedom of Information Act 2000 Section 40(2) (personal information) as it relates to the personal information of employees. These members of staff are not of sufficient senior level where there is reasonable expectation that this information would be released into the public domain.

The Trust follows guidance issued by the Information Commissioner's Office on the disclosure of personal data including direct contact details.

The Trust considers that this information is exempt from disclosure under Freedom of Information Act 2000, section 21 (Reasonably Accessible), which provides an exemption from the duty to disclose information which is available to the Applicant by other means.

The Trust Executive structure chart is already available in the public domain and can be viewed at the website address below using the Freedom of Information tab on the home page.
