### **Freedom of Information Act 2000**

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Telemedicine.

*What proportion of hospital departments use telemedicine (the remote diagnosis and treatment of patients by means of telecommunications technology)? Please provide as a proportion (e.g. 7/20) and list the departments.*

*Overall, has the feedback regarding telemedicine from patients and clinicians been positive or negative?*

*Do you have any plans to expand the use of telemedicine across the hospital or bring in any new telemedicine technologies?*

Radiology and Stroke is the two areas where Telemedicine is used within the Trust.

We can confirm that there have been no

- Surveys
- Audits
- Service Evaluations in regards to this service.

Having spoken to Research and Development there are no plans for further use at present
