Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Theranos' Edison blood-testing machines.

I would like to know how much the trust has spent on Theranos' Edison blood-testing machines since the beginning of 2012. I would also like to know if there were any planned investments on the products or any investigations into the results they produced.

Maidstone and Tunbridge Wells NHS Trust has not purchased any Theranos' Edison blood-testing machines.
