I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Cyber and ransomware attacks.

- 1. How many times has your organisation been a victim of a cyber-attack in the last two years?*
- 2. How many times has your organisation been a victim of a ransomware attack in the last two years? In each case, was a ransom paid and if so how much was paid?*
- 3. For each of the cyber and ransomware attacks, please provide a summary of the incident. This should including details of who was targeted, how they were targeted, what the immediate impact was, for instance was patient or staff data targeted, and if so in what way and how many people's data was affected? For each of the attacks, please also detail whether the police became involved, and whether the perpetrator or perpetrators were caught?*
