Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to domiciliary services for medicines review and palliative care.

I am currently setting up (1) domiciliary visiting medicines review (focussing on both medicines optimisation and medicines adherence) and (2) palliative care services (to ensure the timely and appropriate availability of end of life medicines) within Norfolk using the community pharmacy network and GP practice based pharmacy network, working in conjunction with our NHS community services teams. I am therefore writing to ask if you could send me any reports (service specifications, audit reports, service evaluations etc.) which you may have relating to any services of a similar nature delivered in your area.

Maidstone and Tunbridge Wells NHS Trust do not have any of these community clinics. Please contact West Kent CCG and Kent Community Health Foundation Trust
