### **Freedom of Information Act 2000**

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to babies weighing 12lbs (5443g) or more at birth 2016.

*In the 2016 calendar year were there any babies born at your hospitals where the weight of the baby was 12lbs (5443g) or more? If so please state how many and what their birthweights were.*

Maidstone and Tunbridge Wells NHS Trust can confirm that during the 2016 calendar year there was one baby born at a weight of 5443g or higher at the Trust sites.

Due to the very small number of cases and in order to protect patient confidentiality the Trust has therefore decided that no further details will be released using the limitations available under Section 10 and Section 11 of the Data Protection Act 1998.
