7 March 2017

Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to vending machines and outlets.

- 1) Do you have vending machines selling chocolate or sweets in portions larger than 250g per item?*
- 2) Do you have any fast food chains in your trust, such as Burger King, Costa Coffee, Starbucks, pizza chains, Subway, Pret or Greggs? Please list.*
- 3) If YES, will these chains meet the NHS England health eating targets set for March 2017?*
- 4) If they will not meet the healthy eating targets, please explain how they have failed to meet them, including details.*
- 5) What action will be taken after March 2017 on food outlets that fail to comply?*

- 1) No we only sell the standard bars approx. 50g
- 2) Costa Coffee on both sites
- 3) The Trust has been given assurance they will meet these targets for March 2017
- 4) Not applicable.
- 5) Costa Coffee (Compass Group), have already demonstrated a significant shift towards compliance, so this is unlikely to be the case. Should they for any reason, the contract terms and conditions would be reviewed and appropriate action taken.
