### **Freedom of Information Act 2000**

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to electronic health records.

*We are currently researching what electronic health record (EHR) vendors NHS trusts are using to manage the following records for these departments:*

- *Cardiology*
- *Diabetes*
- *Neuroscience & Neurology*
- *Infection, Immunology, Inflammatory and Immunity*
- *Oncology*
- *Musculoskeletal*

*We would be very grateful if The Trust could let us know the vendors that are currently being used.*

Maidstone and Tunbridge Wells NHS Trust is implementing E-notes as our Electronic Health Records across the Trust supplied by Viper.
