Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to recorded Never Events.

Please can you provide me with the number of “never events” that were recorded by the Trust for the past three years, broken down by each year (this can be by either financial or calendar year).

Please can you provide detail of which hospital each “never event” took place in and what happened that led to the recording of it as a “never event”.

Under Section 21 of the Act we are not required to provide information in response to a request if the information is already reasonably accessible to you. The information you requested is available from the trust website using the following link: <https://www.mtw.nhs.uk/about-us/publications/>
