### **Freedom of Information Act 2000**

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to suicide and self-harm admissions.

*You asked:*

- 1. Could the trust please reveal the number of attempted suicide and self-harm admissions it has had since 2013. Please could this information be broken down into year and month of admission?*
- 2. Could the information requested above please include the following details.*
  - a. Age and gender of patient together. (Age can be broken down into groups if necessary to prevent identification, groups can be 0-12, 13-17, 18-30, 31-45, 45-60, 61+)*

Trust response:

Please note: The following shows secondary diagnosis of ICD10 codes X60-X84 in any secondary position to identify external causes of self-harm or attempted suicide

N.B. These codes were run in the primary position which would indicate main admission reason and no instances were recorded
