Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to the Ingestion or inhalation of button batteries or foreign body.

You asked:

I would like to make a FOI request to access your trusts 'ingestion/inhalation of button battery or foreign body' clinical guideline.

Trust response:

The Trust Acute and Emergency department has an account with Toxbase and we would follow the advice given. We do not write our own guideline as Toxbase is always current.
