Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to staff contacts within the Accident and Emergency Department.

You asked:

Please could you provide me with the name and email address of the person that holds the following responsibility within your Trust: Lead Nurse for Accident and Emergency; Clinical Service Manager for Accident and Emergency

Trust response:

The Trust considers the names and contact details requested exempt under Freedom of Information Act 2000 Section 40(2) (personal information) as it relates to the personal information of employees. These members of staff are not of sufficient senior level where there is reasonable expectation that this information would be released into the public domain.

The Trust follows guidance issued by the Information Commissioner's Office on the disclosure of personal data including direct contact details.

The Trust does, however, release details of staff on Associate Director or above.

The Director of Operations for the Urgent Care Division is:
