### Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to IT equipment and Microsoft licences.

*You Asked:*

*I would like to know how much MTW Trust has spent on new IT equipment and Microsoft software licences during the last five financial years. Please could you supply the data split into 3 categories:*

- (1) PCs, laptops, servers and other computers*
- (2) Ancillary equipment such as networking devices*
- (3) Microsoft software licences.*

Trust Response:

Please see below the IT capital spend for the last 5 years. Unfortunately the trust does not hold the information in the required categories that was request and under Section 12 of the Freedom of Information Act 2000, The Trust has estimated that it will cost more than the appropriate limit to consider this part of your request so under Section 12 the Trust is not obliged to comply with this part of your request and we will not be processing this part of your request further.
