Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Propofol.

You asked:

I would like to know the total volume of Propofol used/issued PER YEAR between 2006 and 2018 by intensive care unit (ICU) and operating theatre (OT) as shown below:

- Total (annual) volume of Propofol used/issued in ICU units PER YEAR for 2006-2018 (in millilitres or litres).

- Total (annual) volume of Propofol used/issued in OT units PER YEAR for 2006-2018 (in millilitres or litres).

If it is easier to provide another unit of measure (for example, vial), please provide details of the products (incl. pack size and mL per vial) so that I can calculate the volume in millilitres/litres.
