Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Haemonetics plasma device.

You asked:

Please can you tell me how many deaths have been reviewed by the trust or reported to a coroner in the past 10 calendar years where the hospital used a Haemonetics plasma device (any model number) on the patient before they died.

Where the death was investigated please can you send me the report (redacted to remove personal details if necessary) and include the age, gender and diagnosis of the patient. If the death was reported to the coroner please include a copy of their report.

Trust response:

Under Section 21 of the Act we are not required to provide information in response to a request if the information is already reasonably accessible to you. The information you requested is available from the trust website using the following link/s:
