Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Pest Control.

You asked:

- 1) In the last calendar year (2020) how many times did you call out a specialist pest control agency to deal with pest/rodent incidents at any of your hospital premises?*
- 2) For the month of May 2020 and the month of November 2020 please provide me with copies of any reports that were completed by any pest control worker/agency explaining what the problem was, where it was and how they dealt with it.*

Trust response:
