The graphic is a promotional poster for ClinicalSkills.net. On the left, there is a vertical strip of five illustrations: a doctor examining a patient, hands wearing gloves, a close-up of a medical device, a patient in a hospital bed, and a person at a computer. Above the first illustration is a pink circular badge that says 'Available now at Maidstone and Tunbridge Wells NHS Trust'. To the right of the illustrations, the ClinicalSkills.net logo is at the top, followed by the tagline 'The best online educational resource in the UK to support training and best practice in clinical skills'. Below this, the text 'Helping you put the best practice into practice' is displayed. A list of seven bullet points follows, each preceded by a circular icon: 'More than 200 guidelines on clinical skills procedures all in highly illustrated step-by-step format', 'Stays very up to date with a rolling programme of review and updating', 'Incredibly quick and easy to use', 'Evidence based (where evidence exists)', 'Double-blind peer reviewed', 'Full of links to references and national guidance', and 'OpenAthens access available; compatible with Shibboleth'. Below these points, two more features are listed: 'Optional online assessments including medicines calculations tests' and 'Optional learning management system'. At the bottom, a white box contains the text 'Access via the Library Resources page on Trust Intranet - or offsite OpenAthens access available via www.clinicalskills.net'. At the very bottom, small text reads 'Clinical Skills Ltd, www.clinicalskills.net 020 8995 9356' and 'Registered address: 111 Park Road London W11 2AF. Registered in England. No. 01499002'.
