### **Freedom of Information Act 2000**

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Histopathology Speciality Registrars.

*Under the Freedom of Information Act I am requesting the following*

*Monitoring results for the full time Histopathology Specialty Registrars who undertook a monitoring exercise July 2015*

*Monitoring results for the Less Than Full Time Histopathology Speciality Registrars who undertook monitoring July 2015*

The monitoring results for Histopathology Speciality Registrars were invalid due to:-

- a) A 70% return rate
- b) The exercise incorporating both the full time and LTFT staff

The Medical Staffing Team are therefore in the process of re-running the exercise over a four week period.
