Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Anorexia and bulimia in under 14 year olds.

*The number of children under the age of 14 your trust has treated for anorexia and bulimia from 1 January 2010 up until the date this request was received.
Please provide the information in yearly breakdowns;
Please break the numbers down by age and, if possible, by gender;
Please keep the data for anorexia and bulimia separate;*

Please note: This data is only for admissions and not outpatients as outpatients are not coded in such a way that the data can be obtained.

Please see the attached tables:

Due to the very small number of cases and in order to protect patient confidentiality the Trust will not provide a more detailed split of information.
