Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to genetic haemochromatosis.

For the period 1 January 2015 to 31st December 2015 (or the most recent full 12 month period if more recent data is available):

- A. The number of patients diagnosed with genetic haemochromatosis who have been provided with genetic testing for haemochromatosis and/or genetic counselling in relation to their condition.
- B. The number of marriage or civil partners of patients diagnosed with genetic haemochromatosis who have been provided with genetic testing for haemochromatosis and/or genetic counselling in relation to their partners' condition.
- C. The number of siblings of patients diagnosed with genetic haemochromatosis who have been provided with genetic testing for haemochromatosis and/or genetic counselling in relation to their sibling's condition.
- D. A copy of your protocol or pathway applicable to the provision of genetic testing/counselling for families of patients diagnosed with genetic haemochromatosis.

Maidstone and Tunbridge Wells NHS Trust does not hold this information electronically and the Trust has estimated that it will cost more than the appropriate limit to consider your request. The appropriate limit is specified in regulations and represents the estimated cost of one person spending 3½ working days in determining whether the Trust holds the information, locating, retrieving and extracting the information. Under Section 12 of the Freedom of Information Act 2000 the Trust is not obliged to comply with your request and we will not be processing your request further.
