28 February 2017

Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to antibiotic resistant NDM 2014-2016.

Can you please send details of any cases of antibiotic resistant NDM (New Delhi metallo- β -lactamase) "superbugs" you have reported to Public Health England in 2014, 2015 and 2016.

We are particularly interested in NDM-1, but would appreciate details of any other NDM incidents if available.

Please break the information down into the three years listed.

Maidstone and Tunbridge Wells NHS Trust have had no cases of antibiotic resistant NDM (New Delhi metallo- β -lactamase) "superbugs" in 2014, 2015 and 2016.
