27 March 2017

Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Emergency admissions for Asthma, Epilepsy and Diabetes 2014 – 2016.

1. For the last 4 quarters from January 2016 - December 2016, please provide a breakdown of the number of emergency admissions by age group, broken down by quarter, for the following conditions: (a) asthma (b) epilepsy (c) diabetes type 1 & type 2.
2. For the last 4 quarters from January 2016 - December 2016, please could you provide a breakdown of the number of emergency attendances by age group, broken down by quarter, for the following conditions: (a) asthma (b) epilepsy (c) diabetes type 1 & type 2.
3. For the 4 quarters January 2015 - December 2015, please could you provide a breakdown of the number of emergency admissions by age group, broken down by quarter, for the following conditions: (a) asthma (b) epilepsy (c) diabetes type 1 & type 2.
4. For the 4 quarters January 2015 - December 2015, please could you provide a breakdown of the number of emergency attendances by age group, broken down by quarter, for the following conditions: (a) asthma (b) epilepsy (c) diabetes type 1 & type 2.
5. For the 4 quarters January 2014 - December 2014, please could you provide a breakdown of the number of emergency admissions by age group, broken down by quarter, for the following conditions: (a) asthma (b) epilepsy (c) diabetes type 1 & type 2.

6. For the 4 quarters January 2014 - December 2014, please could you provide a breakdown of the number of emergency attendances by age group, broken down by quarter, for the following conditions: (a) asthma (b) epilepsy (c) diabetes type 1 & type 2?

Please see attached for 2014, 2015 and 2016 by quarters and 10 year age bands. The data supplied is using the primary diagnosis only to get each of

the three conditions and using the below codes. The coding used in A&E does not give sufficient details and therefore the Trust is unable to accurately determine the A&E attendances so the information supplied is non-elective admissions with the relevant codes below;

asthma	J45.0---J45.9
Status asthmaticus	J46.X
Type 1 diabetes	E10.0---E10.9
Type 2 diabetes	E11.9---E11.9
epilepsy	G40.0----G41.9
