### **Freedom of Information Act 2000**

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Enforced DNR.

*The number of patients who have been taken to the Royal Courts of Justice Court of Protection, to have a DNR placed upon their lives by your hospital. I would like to know if the patient had a Lasting Power of Attorney and the sex, age, ethnicity of the patients and the length of time each case took & outcomes of each case. From when the hospital opened to the present day.*

Having checked the Trust records we have not found any cases relating to DNACPR involving court action.
