Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to non-UK EU national staff.

How many doctors, nurses, and other staff do you employ who are EU nationals and what percentage of your total establishment is made up of EU nationals?

The Trust can confirm that there are 569 staff members with a non-UK EU nationality within the Trust. This comprises 9.67% of the overall workforce.

The Trust is not able to comment on the impact of any changes on these individual staff members.
