Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to ODP staff.

Could you please let me know how many Health and Care Professions Council (HCPC) registered Operating Department Practitioners (ODPs) work within the trust and provide a breakdown by area of practice I.e. Recovery, Anaesthetics, Scrub or multiple areas.

Maidstone and Tunbridge Wells NHS Trust have 43 Operating Department Practitioners working within the trust who have a recorded HCPC membership working in Theatres

Most work generically (multiple areas) in all areas of practice (anaesthetics, scrub, recovery)

Approximately 6 undertake specific roles such as Anaesthetics
