Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to the CMA order to provide private patient information to PHIN.

Please could you advise if your Trust is complying with the CMA order to provide private patient information to PHIN?

If you are complying - please could you advise if you are supplying PID, anonymised data or a mixture of both?

Maidstone and Tunbridge Wells NHS Trust are complying with the CMA order to provide private patient information to PHIN. Currently we do not include any PID (patient identifiable data).
