Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to locum doctors in Stroke Medicine.

Can you please assist me with retrieving the total Agency spend for Medical Locum Doctors within Stroke Medicine over the following months, within your Trust or Health Board?

The Trust is unable to supply this information as we do not attribute costs to an entity called Stroke Medicine and any such locums may be associated with various other specialties (such as Cardiology or Elderly care).
