**Freedom of Information Act 2000**

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to antibiotic prescribing.

*Could you please supply me with the number of each antibiotic prescribed in hospital for the past 10 years?*

*Could you please break this information down by the name of the drug (eg vancomycin) for each year in the past 10 years? For 2016 could you please give the number of each antibiotic prescribed so far?*

*Could you also provide me with the cost of each drug for each year?*

*Please note I am not seeking antibiotics dispensed in the community, but antibiotics prescribed in hospitals.*

Please see the following table:
