Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to staff rest areas.

Please provide figures on:

- *The total number of dedicated rest areas available to clinical staff working at the trust's hospitals.*
- *Of these, the total number of rest areas that provide beds/ other sleeping facilities for staff.*

This information is not kept centrally and to ascertain the true number would involve carrying out a full survey of Trust sites. The Trust has estimated that it will cost more than the appropriate limit to consider your request. The appropriate limit is specified in regulations and represents the estimated cost of one person spending 3½ working days in determining whether the Trust holds the information, locating, retrieving and extracting the information. Under Section 12 of the Freedom of Information Act 2000 the Trust is not obliged to comply with your request and we will not be processing your request further.
