Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Cardiology staff details.

You asked:

Please could you provide me with the name and email address of the person that holds the following responsibility within your Trust

- *Service Manager/Unit Manager or Business Manager for Cardiology*

Trust response:

Under Section 21 of the Act we are not required to provide information in response to a request if the information is already reasonably accessible to you. The information you requested is available from the trust website using the following link: <https://www.mtw.nhs.uk/service/cardiology/meet-the-team/>

The Trust considers the names and contact details requested exempt under Freedom of Information Act 2000 Section 40(2) (personal information) as it relates to the personal information of employees. These members of staff are not of sufficient senior level where there is reasonable expectation that this information would be released into the public domain and therefore further details will not be released.

The Trust follows guidance issued by the Information Commissioner's Office on the disclosure of personal data including direct contact details.
