Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Kent and Medway Sustainability and Transformation Plan.

You asked:

I would like to know how much money has been spent by the Kent and Medway since its inception on management consultancy companies split by financial year up to the present date. Previous requests by other requesters was directed specifically at the preparation of the Kent and Medway Sustainability and Transformation Plan this request is aimed at all spending on management consultancy firms.

Please can you provide a few words on why each company was brought in.

Trust response:

Management consultancy costs:

Year	Cost
2016/17	£3,370,689
2017/18	£7,189,966

- Carnall Farrar: Provision of support for strategy, analytics, modelling and programme management. This includes support for clinical strategy, programme governance, Programme Management Office, Local Care, Hospital Care (East Kent and Stroke), Productivity, and System Transformation.
