Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Trust systems.

*Can you review the attached spreadsheet of systems we have recorded for your trust and correct any mistakes, omissions or changes?
We are asking that you validate the spreadsheet and give particular priority on systems that we don't record or been replaced with a new system please.*

Please note:

Should you wish to re-use the following information under the Re-use of Public Sector Information Regulations 2005, the Trust is pleased to grant permission subject to the following condition as permitted under Section 12(1) of the regulation.

That no fee shall be charged for access to the information provided or that you clearly state the information may be accessed free of charge from the Trust website <http://www.mtw.nhs.uk/>

Please see the following table:
