Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Children treated for alcohol dependency or misuse.

You asked:

Please may you tell me the number of people, under the age of 18, who were treated by the trust for alcohol dependence and/or alcohol misuse in 2012, 2013, 2014, 2015, 2016, 2017, and 2018?

May you please tell me the youngest person you treated for this in 2016, 2017 and 2018?

Trust response:

Under Section 21 of the Act we are not required to provide information in response to a request if the information is already reasonably accessible to you. The information you requested is available from the trust website using the following link:

<http://www.mtw.nhs.uk/wp-content/uploads/2018/08/Alcohol-related-admissions-from-AE.-070818.pdf>

The system used in A&E does not record the reason for the visit in significant detail; therefore the Trust can only supply information relating to patients who have been admitted following an A&E attendance.
