Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Gifts and Hospitality.

You asked:

I would like a breakdown for the last two years (e.g. April 2016 to March 2018, or calendar years if appropriate to your organisation), items which have been logged on your organisation's gifts and hospitality register by staff.

I request the following details:

- Date item was declared
- Description of item
- Reason for the gift/hospitality
- Value
- Whether the item was accepted or declined
- Role of staff member the gift was received by, e.g. nurse, Agenda for Change band 5 or above, or doctor, foundation year 1 and above. Additionally, does your organisation have a monetary limit on gifts (i.e. gifts worth under £50 are allowed) and can cash gifts ever be permitted?

Trust response:
