Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Procurement Team.

You asked:

- 1. How many procurement staff work for the organisation in total?*
- 2. What are their job titles, and how many FTE staff work under those job titles? E.g. Head of Procurement x 1, Procurement Officer x 2 etc.*
- 3. Are you a member of a procurement consortium, e.g. NHS Commercial Solutions, LPP, and if so which one?*
- 4. How much has the organisation spent on recruitment fees to permanent procurement roles in the past 12 months? (This can be an estimated rounded figure, please note this information would usually be provided if the organisation were to tender this requirement)*
- 5. Do you have any recruitment requirements for procurement staff in the next 3 months that you are aware of, and if so under which job title?*
