Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Brexit impact.

You asked:

Under the Freedom of Information Act, please could you tell me if Maidstone and Tunbridge Wells NHS Trust has produced any analysis on the impact of Brexit?

If so, please could you share any reports or documents detailing this impact and any preparations which are being made ahead of Brexit?

Trust response:

Under Section 21 of the Act we are not required to provide information in response to a request if the information is already reasonably accessible to you. The information you requested is available from the trust website using the following links:
