Freedom of Information Act 2000

I am writing on behalf of Kent and Medway STP in response to your request for information made under the Freedom of Information Act 2000 in relation to Patricia Davies' salary.

You asked:

It seems that Patricia Davies was receiving a salary from the CCG and also from the STP, and it is not clear if she was receiving these two salaries simultaneously, or if one began as the other stopped.

When did Patricia Davies' salary from the STP begin and end?

Can you confirm whether the salary/salaries paid to Ms Davies via the STP and the CCGs were separate (i.e. she was receiving two salaries from different parts of the NHS) or if they are the same thing?

STP response:

As the STP is not a statutory organisation, STP staff are hosted by one of the member organisations. As Patricia Davies's previous role was with NHS Swale CCG, she remained contracted to NHS Swale CCG. Her Director of Acute Strategy role commenced on 1 April 2018, and ended on 31 October 2018.

To clarify, she was only receiving one salary which was paid via NHS Swale CCG, who she was hosted by.
