Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Consultant and doctor expenses.

You asked:

Please can you send me the expenses over the last three years claimed by all consultants, specialty registrars and foundation doctors who have worked at the trust either full-time or on a locum basis?

Please list each medic's expenses claim separately and for each expense please provide an explanation for the expense e.g. train travel, lunch.

Trust response:

The expenses system for the Trust does not include the staff grade or group. It is not possible for us to report in the way requested and we are unable to answer your request.
