Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Finance Directorate.

You asked:

Could you please provide a detailed organisation chart for the Finance Directorate, confirming the name, position and contact details of the individuals within the directorate?

Trust response:

Maidstone & Tunbridge Wells NHS Trust receives a number of requests for details relating to the professional lives of our staff from private individuals and organisations, some of whom are involved in recruitment and marketing. We are aware that approaches from some of these organisations, as a result of any disclosure on our part, may lead to damage and distress to individuals whose roles and responsibilities would not normally be public facing or a level where the expectation would be that this information should be in the public domain. On very rare occasions it might be considered in the public interest to disclose some information but in such cases the views of the individual staff concerned is always sought.

The Trust has therefore decided that in future all such requests will normally be refused using the limitations available under Section 10 and Section 11 of the Data Protection Act 1998.

However, some details are available on our website using the following link:

Further detailed information will not be released.
