**Freedom of Information Act 2000**

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Aimovig (Erenumab).

*You asked:*

*Does your trust treat patients with Aimovig [Erenumab]?*

*If yes, how many patients have been treated in the past 12 months?*

Trust response:

No, Aimovig is not on the Hospital Formulary and therefore we have treated no patients with this medication
