Subject: Request of the Infected Blood Inquiry for assistance

Dear Mr Scott,

I am a Paralegal with the Infected Blood Inquiry and I am contacting you to request your assistance in preserving potentially relevant information to the Inquiry's Terms of Reference, and your assistance in the provision of medical records to Inquiry witnesses.

Please find attached a letter from the Solicitor to the Inquiry which sets out the Inquiry's requests in more detail, together with correspondence between the Inquiry Chair, Sir Brian Langstaff, and NHS England, and a statement by the Inquiry Chair published on our website on 14 February 2019.

You will see from the Chair's statement that we are in the process of contacting all NHS Trusts, Foundation Trusts and CCGs in England. I am responsible within the Inquiry for administering this process and I would be grateful if you could email your response to me by 5 March 2019.

Kind regards

Infected Blood Inquiry
