Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Allscripts.

You asked:

1. We have noted down that your trust uses an Allscripts Oasis system. Has it replaced any of your following systems?

System Type

Dep A&E

Dep Pathology

Diagnostic reporting

Document management

Dep Maternity

2. If so when was the installation date and the current contract expiration date?

Trust response:

All of the contracts mentioned above are still in situ and Allscripts Oasis PAS has not replaced any of those mentioned.
